NURSING RESEARCH

INDEX TO VOLUME 9 **WINTER, SPRING, SUMMER, FALL 1960**

The material in this index is arranged under subjects and authors; page numbers are indicated after each reference. The following abbreviations are used: (ed.)—editorial; (RR)—Research Reporter; (bk. rev.)—book review; (abs.)—abstract.

A

Abbe, Leslie Morgan
Hospitals and nursing homes in the U.S., *1959* (abs.), 228

Abbott, Ruth D.
and Robert M. White: Comparison of two instruments in screening for hearing deficiency (abs.), 173

Abraham, Sidney, jt. auth. *See* Denham, Margaret

Abstracts
Studies in nursing, *1955-1958,* 53; *1959-1960,* 163, 222

Adair, John, jt. auth. *See* McDermott, Walsh

Adams, Fred Thomas
Role accommodations: study of nurses and attendants in a mental hospital (abs.), 224

Admissions, Graduations, and Enrollments
Electroencephalographic and social psychological indicators of nursing student performance (Gordon), 46
Nursing school applicant: study of applications made to forty-one schools (Jacobs) (abs.), 226
Undergraduate withdrawals at Vanderbilt University (Batts) (abs.), 167

Affiliations
Behavioral analysis of the practical nurse psychiatric affiliation program (Tokuhata) (tables), 141

Aitkin-Swan, Jean
Nursing the late cancer patient at home (abs.), 230

Alcoholism
Evaluation of the Maryland alcoholic rehabilitation clinics (Thomas and others) (abs.), 233
Nonsegregated hospitalization of the alcoholic patient in a general hospital (Berke and others) (abs.), 230

Allemang, Margaret
Analysis of experience of eight cardiac patients during hospitalization (abs.), 222

Altrocchi, John, jt. auth. *See* Cassady, June R.

American Hospital Association
AHA hears about research in nursing (exc.), 184

American Nurses' Association
Conference on nursing (ed.), 177
Research — pathway to future progress in nursing care, 4
Research and Statistics Unit: Spot check of current hospital nursing employment conditions (abs.), 224

American Nurses' Foundation
Progress in *1960* (ed.), 121
Research — pathway to future progress in nursing care, 4

Anderson, Marian E., jt. auth. *See* Costello, Charles G.

Anderson, Odin W.
and Paul B. Sheatsley: Comprehensive medical insurance—costs, use, and attitudes under two plans (abs.), 170

Apple, Dorrian, ed.
Sociological studies of health and sickness (abs.), 234

Armstrong, J. C., jt. auth. *See* Phillips, K. G.

Arnstein, Margaret G.
Chief, new Division of Nursing, USPHS, 177

Attitudes
Attitudes toward patients and patient care (RR), 217
Behavioral analysis of the practical nurse psychiatric affiliation program (Tokuhata) (tables), 141
Comparative ratings of medical and surgical nurses (Lentz, Michaels), 198
Conflict and harmony in nursing values (Meyer) (abs.), 169
Essentials for public health nursing field experience (RR), 215

ATTITUDES
(*Continued*)
Nurse-doctor relations and attitudes toward the patient (Dodge) (tables), 32; (abs.), 225
Nurses' attitudes toward preference for and importance of categories of activity in psychiatric nursing care (Fischer, Leutsch) (abs.), 166
Nursing service personnel towards rotation of shifts by psychiatric aides (Efron) (abs.), 165
Relationship between authoritarian attitudes and attitudes toward mental patients (Canter, Shoemaker) (abs.), 165

Audio-Visual Aids
Organization and utilization of audio-visual materials in nursing education programs for registered professional nurses (Perry) (abs.), 169
Research aid "How to observe nursing activities" (film) (RR), 160

Austin, Florence
Community nursing services for discharged psychiatric patients (RR), 213

Auxiliary Workers
Abstracts of studies in nursing, *1955-1958,* 103; *1959-1960,* 173
Selection of subprofessional hospital care personnel (Cliff and others) (abs.), 173
See also Practical Nursing; Psychiatric Aides

Aylon, Teodoro
Application of reinforcement theory toward behavior problems (abs.), 231

B

Barr, A.
Training of student nurses (abs.), 167

Batts, William O., Jr.
Undergraduate withdrawals at Vanderbilt University (abs.), 167

Behavior
Application of reinforcement theory toward behavior problems (Ayllon) (abs.), 231
Behavioral analysis of the practical nurse psychiatric affiliation program (Tokuhata) (tables), 141
Determining critical requirements for nurses (Jensen), 8; (abs.), 216
Nursing education and role conception (Berkowitz, Berkowitz), 218
Tracking down lost patients (RR), 213

Benne, Kenneth D.
and Warren Bennis: Role of the professional nurse (abs.) 225; What is real nursing? (abs.), 225

Bennis, Warren, jt. auth. *See* Benne, Kenneth

Berke, Mark
and others: Nonsegregated hospitalization of alcoholic patients in a general hospital (abs.), 230

Berkowitz, Joanne
and Norman H. Berkowitz: Nursing education and role conception, 218

Birkbeck, Lyndall, jt. auth. *See* Heinemann, Edith

Blood Pressure
Observer factors in the measurement of blood pressure (Wilcox) (abs.), 223

Bobbitt, Blanche G., jt. auth. *See* Sellery, C. Morley

Boyle, Rena E.
Discussion of paper "Myocardial infarction; stages of recovery and nursing care" by Harriet M. Coston, 183
International seminar in Delhi, 196

Brown, G. W.
and others: Evaluation of prepared milks for infant nutrition; use of Latin Square technique (abs.), 172

Bryant, Arthur, jt. auth. *See* Ellsworth, Robert

Budgets and Budgeting
State and local government expenditures for health and hospitals (Gooch) (abs.), 163

Bunge, Helen L.
Guide for studying the activities of nursing personnel in Veterans Administration hospitals (abs.), 164

Butler, Grace, jt. auth. *See* Ellsworth, Robert

C

California University, School of Nursing, Los Angeles: Evaluation and study of faculty research potential (RR), 214

Callahan, Josephine M., jt. auth. *See* New, Peter Kong-Ming

Camp for boys, Therapeutic (Godbout, Hurwitz) (tables), 23

Campbell, Jean (bk. rev.), 158

Canada
Home visits to newborn infants by public health nurses (Carpenter) (abs.), 229
Montreal, Royal Victoria Hospital: Visitors in psychiatric hospital (Nelson) (abs.), 233

Cancer
Nursing the late cancer patient at home (Aitkin-Swan) (abs.), 230
Record and reporting system for field research units (Carroll, Ingraham) (abs.), 165

Canter, Francis M.
and Ruth Shoemaker: The relationship between authoritarian attitudes and attitudes toward mental patients, 39; (abs.), 165

Career Dynamics *See* Recruitment

Carpenter, Hazel A.
and Ralph Simon: The effect of several methods of training on long-term, incontinent, behaviorally regressed hospitalized psychiatric patients (tables), 17

Carpenter, Helen M.
Home visits to newborn infants made by public health nurses (abs.), 229

Carroll, Benjamin E.
and Samuel C. Ingraham, II: Record and reporting system for field research units (abs.), 165

Carter, Frances M.
Critical incident technique in identification of patients' perception of therapeutic patient-patient interaction on a psychiatric ward (abs.), 232

Cassady, June R.
and John Altrocchi: Patients' concerns about surgery, 219

Chapanis, Alphonse, jt. auth. *See* Safren, Miriam Aronstein

Children and Child Health
Abstracts of studies in nursing, *1955-1958,* 97; *1959-1960,* 172 231
Organization and instruction of maternal and child health in ten community college nursing programs (Marlow) (abs.), 226

CHILDREN AND CHILD HEALTH (*Continued*)
Role of the infirmary in a therapeutic camp for boys (Godbout, Hurwitz) (tables), 23; (abs.), 232
Role of the nurse in the follow-up of children from a psychiatric service (RR), 214
St. Mary's Hospital (London) home-care for sick children scheme (McClure) (abs.), 231
See also Infants

Chimera, Nancy P.
Physicians' appraisal of responsibilities assumed by general duty nurses (abs.), 222

Chronic Illness
Abstracts of studies in nursing, *1959-1960,* 171, 222
Changes in sleeping and eating patterns of fifty patients with long-term illness (Goodrich, Schwartz) (abs.), 171
Nursing needs of chronically ill ambulatory patients (Schwartz), 185; discussion (Smith), 188
Planning for the chronically ill (Monroe County, N.Y., Chronic Illness Committee) (abs.), 230
Uninterrupted patient care and nursing requirements (RR), 215

Church, Ruth E., jt. auth. *See* Nathanson, Neal

Cleland, Virginia
Critical inquiry into the use of the graduate nurse qualifying examination clinical test by one institution (abs.), 167

Clinics and Outpatient Departments
Nursing needs of chronically ill ambulatory patients (Schwartz), 185; discussion (Smith), 188

Cliff, Norman
and others: Selection of subprofessional hospital care personnel (abs.), 173

Colorado University, School of Nursing: Guide for reorganizing the administrative structure of the University School of Nursing (Hibbard) (abs.), 168

Communicable Disease
Abstracts of studies in nursing, *1955-1958,* 95; *1959-1960,* 171, 223

Communication
Communication between hospital staff and community agencies: a study of referrals to the public health nurse (Schwartz) (abs.), 165

Community Nursing Service *See* Public Health and Nursing

Conferences and Conventions
International seminar in Delhi (Boyle), 196

Connecticut
Hartford VNA and Norwich State Hospital: Community nursing services for discharged psychiatric patients (RR), 213

Cornell, Richard G., jt. auth. *See* Nathanson, Neal

Costs and Cost Analysis
State and local government expenditures for health and hospitals (Gooch) (abs.), 163

Costello, Charles G.
and Marian E. Anderson: Vocational and personal preferences of psychiatric and general nurses (tables), 155

Coston, Harriet M.
Myocardial infarction: stages of recovery and nursing care, 178; discussion (Boyle), 183

Counseling and guidance
Student personnel and guidance services in schools of nursing (Whitmore) (abs.), 228
Use of results of pre-entrance psychological examinations in counseling of students in selected schools of nursing in Indiana (Sink) (abs.), 169

Courtney, Margaret E.
Effectiveness of classroom laboratory in nursing instruction (abs.), 226

Credits and Credit Systems
Allocation of college credit for the clinical laboratory experience in the preservice baccalaureate nursing program (Dineen) (abs.), 167

Critical Incident Technique *See* Methodology

Curriculum
Effectiveness of an alternate program for the preparation of beginning public health nurses (Smith) (abs.), 227
Nursing education and role conception (Berkowitz, Berkowitz), 218
Rating scale to be used as a guide in grade determination for clinical practice in the medical and surgical nursing course (Palmer) (abs.), 227

D

Delta, B. G., jt. auth. *See* Phillips, K. G.

Denham, Margaret
and others: Nursing services outside the hospital for cardiovascular disease patients (abs.), 171

Dental Hygiene
Dental health of children in fourth grade of four elementary schools in Lubbock, Texas (Lamb, Ford) (abs.), 173

Detroit Visiting Nurse Association
Home care demonstration of metropolitan Detroit (abs.), 228

Deuschle, Kurt, jt. auth. *See* McDermott, Walsh

Diamond, Lorraine K., jt. auth. *See* Fox, David J.

Dilworth, Ava S.
Editor, Research Reporter, 7, 160, 213

Dineen, Mary A.
College credit for the clinical laboratory experience in the preservice baccalaureate nursing program (abs.), 167

Dodge, Joan S.
Attitudes toward patients and patient care (RR), 217; Nurse-doctor relations and attitudes toward the patient (tables), 32; (abs.), 225

Dougherty, Anne, jt. auth. *See* Hardy, Janet B.

Drugs
Hormone highlights (RR), 216
Released mental patients on tranquilizing drugs and the public health nurse (Gelber) (bk. rev.), 42

Dudek, Richard
and Dorothy M. Gailani: Frequency of nursing procedures performed at the bedside (tables), 43

Duley, Clara M.
and James F. Oates: Effectiveness of saline and gluconate solutions following induced shock in animals (abs.), 223

Dysentery
Water-borne outbreak of dysentery (Freitag) (abs.), 229

E

Ears
Comparison of two instruments in screening for hearing deficiency (Abbott, White) (abs.), 173
Hearing responses and audiologic screening in infants (Hardy and others) (abs.), 172

Economic and Social Security
Nurse's image of just and equitable wages (MacAndrew), 156
Spot check of current hospital nursing employment conditions (ANA Research and Statistics Unit) (abs.), 224

Editorials
Addendum to directions in nursing research, 3
ANA conference on nursing, 177
International seminar on research, 3
Progress in *1960*, 121
USPHS Division of Nursing, 177

Education
Liberal education and nursing (Russell) (bk. rev.), 158
